

4Them Events

Be creative and do something 4THEM by raising awareness, prayers as well as funds for persecuted Christians. We are setting aside this month of August for the campaign. So whether you organize a pancake sale; a morning tea; use your creative skills to make something like a bracelet; participate in a sport event and do it 4THEM; organize a fun run...you will be creating awareness 4THEM.

We are looking forward to taking hands with you and to seeing how God moves the hearts of people worldwide to pray for persecuted Christians. All funds raised by 4THEM events will be equally distributed between:

Project Joshua (Discipleship training for young married couples in Egypt)

Project Compassion (Food & Hygienic parcels as well as mobile homes for displaced believers in Iraq)

Project Empower (Discipleship training, as well as computer skills training for Christians in South West Asia)

Project Light (Audio Bibles for Christians in Egypt)
